**Section XI: Criminal History Declaration**

Federal policies (45 CFR Part 1301, Subpart D) Head Start Grants Administration, Personnel Policies, Section 1301.01 (c) and (d) now require that Head Start agencies require all prospective employees to sign a declaration prior to employment which lists:

- 1. All pending and prior criminal convictions related to child sexual abuse and their disposition;
- 2. Convictions related to other forms of child abuse and/or neglect; and
- 3. All convictions of violent felonies.

The declaration may exclude:

- Any conviction for which the record has been expunged under Federal or State law; and
- Any conviction set aside under the Federal Youth Corrections Act or similar State authority.

Note that individuals who declare, through this form, that they have been convicted of any of the offenses listed above are not automatically disqualified from being hired. Head Start agencies must review each case to assess the relevance of a conviction to a hiring decision by taking into account such factors such as age and time of the offense, seriousness and nature of the violation, and rehabilitation.

I further acknowledge that if I am hired, I may be subject to a criminal background report every two (2) years due to industry standards or due to business needs and/or position changes.

I certify that all the information provided by me in this Driver Addendum is true and complete, and I understand that any misstatement, falsification, or omission of information is grounds for refusal to hire, or, if hired, termination.

I understand that driving is a responsibility, in whole or in part, for the position for which I am applying, and that my application will be considered only after verifying my insurability to drive a motor vehicle. I also understand that should I be hired, my continued employment may depend on my continuous insurability. If hired, and if driving continues to be or becomes a major part of my responsibilities, and should I become uninsurable, I will be terminated immediately, regardless of when found.

I also authorize Center for New Communities (C4NC-EHS) to obtain a Motor Vehicle Report on confirming my insurability before becoming an employee. If driving is an essential part of the position and any records are found, prior to being hired, that would show that I have violations indicating that an insurability review would result in uninsurability, then I will not be eligible for employment, or, if already hired, I will be terminated, regardless of when found. All violations, whether they are on or off the job and regardless of fault, will be considered in an insurability review.
